

我们还是用了中国传统的人字顶

A modern hotel room featuring two twin beds with white linens and dark brown tufted headboards. A large, rectangular mirror is mounted on the wall above the beds, reflecting the room's interior. To the left, a glass-enclosed bathroom is visible. The room has a light-colored carpet with a large, stylized floral pattern in the foreground. A small table with a lamp and a vase of white flowers is positioned near the beds. The walls are a warm, neutral tone, and the ceiling has recessed lighting.

[illegible]

A large, rustic wooden-framed mirror is mounted on a light-colored wall. The mirror's frame is open, revealing a bathroom area below. Inside the bathroom, there is a dark countertop with a white sink and a chrome faucet. Above the sink are two square, lit sconce lights. To the left of the sink, there are two round mirrors mounted on the wall. Below the sink, a white bathtub is visible. The wooden frame of the mirror has a natural wood grain and is secured with metal hinges. In the foreground, the corner of a bed with white linens and a green textured blanket is visible. To the right, a portion of a wooden nightstand is seen.

除了玻璃外,我也住过完全开放式设计.不过这种实用度存疑

主卧 - 15

主卧室要很安静，所以楼上楼下的隔音一定要做好，尤其天花板和地板的隔音要加强。房间的格局可以直接参考酒店房间的摆法，我们觉得那样最舒服。

- 15a: 高优先度
 - 需要有好的隔音
 - 需要有感应起夜小夜灯
 - 需要有智慧家庭康养传感器 (防跌倒, 呼救)
- 15b: 中高优先度 (倾向安装)
 - 动线需要考虑未来轮椅进出
 - 尽可能使用拉门
- 15c: 一般优先度 (有疑问)
 - 希望能有架子床
 - 有考虑使用华为合作的智慧床(不需电动骨架, 但床垫本身的软硬自动调整与监控可以考虑)
- 15d: 低优先度 (倾向不安装)
 - 无
- 15e: 黑名单
 - 主卧不要电视
 - 主卧不要床尾凳
